many makeshift submarines used for drug-trafficking make the journey between Latin America and the United States every year.

Rule 6(3) of CENVAT Credit Rules 2017

They fed alfalfa to their horses claiming it made them swift and strong.

Walter, by contrast, spiraled into hopelessness: “I got fired because I can’t perform under pressure,” he thought.

Sir Victor Horsley said: “I would teach every child at the age of twelve reproduction.”
